2009-2010 Westside High School Student Directory

Dear Westside Supporter:

We would like to give you the opportunity to advertise in the Westside High School Directory, which will be published in November. As you know, a successful business depends upon relationships within the community. One way to demonstrate your involvement is through this directory. The benefits to you, include:

- More than 3000 Westside students, their parents and school staff will have access to, and frequently use this directory for an entire year.
- Our rates are reasonable, making this an inexpensive way to advertise.
- Our directory includes an alphabetized index of advertisers, with page numbers, so your ad can be found easily.
- All contributions and advertisements are tax deductible.
- In the PTO newsletter, which is mailed to all parents, we thank our advertisers and encourage all families to support them.
